Bonjour,

Mise à jour, tous les véhicules de manifestants ont quittés. Le stationnement est maintenant vide sauf pour les véhicules d'employés et d'entrepreneurs.

Certains employés du musée nous ont remercié pour cette intervention.

Garda est maintenant en poste. Je lui est donné les directives à suivre. Son superviseur est aussi ici en ce moment.

Je quitte mon poste pour aller dîner. Je vais passer un fois de temps en temps pour vérifier.

Bonne journée

Hi Christian, it is NCC and yes it is being used by construction workers for the Viu 2 build across the street as well as the ESAP program. I will dig up the details and call you. Thanks!

Bonjour,

Mise à jour, 2 véhicules restants ont quitté depuis ce matin. Alors il en reste que 2 autres. Nous avons installé des affiches no parking en plus d'émettre des avis de remorquage les informant de quitter le stationnement qui est maintenant fermé.

Plusieurs manifestants se sont présentés au stationnement depuis la fermeture. Ils ont rebroussé chemin.

FYI, Pont Alexandra est maintenant refermé a la circulation. Il l'ouvre de 6h à 10h chaque matin en direction d'Ottawa.

Chris H. Can you let us know who's managing the parking lot beside 210 Laurier. I know that the construction workers are using it but some protesters might notice it to. Is it NCC ?

Bonne journée

Moi et l'agent Marion avons expulsé 5 véhicules d'occupants campés dans le stationnement du PJC à 6h ce matin. La police de Gatineau était sur place pour assistance au besoin. Il reste 4 véhicules sans occupants.

Nous avons maintenant le contrôle du stationnement. Demsis a installé les barrières pour fermer l'accès.

J'attends des nouvelles de Phil pour l'embauche de la compagnie de sécurité.

Je vous fait une mise à jour plus tard aujourd'hui.

Hello Catherine and Francois,

Given that Christian has already initiated discussions with GPS he would be the best placed person to support tomorrow morning.

Christian will reach out to you Francois to discuss the plan.

He will also go back on site and will inform those parked illegally on site that this will happen tomorrow and encourage them to leave as soon as possible.

Pietro, please call me. Christian has offered to start earlier tomorrow morning and put in a longer day of work.

I will let you make sure that another officer is there to assist him. Will call you.

Nous allons faire installer des barricades. Pour ce qui du P de la maison Charron, je crois qu'il est fermé sinon nous allons le faire fermer. Pour ce qui est de PJC, les P sont contrôlés par PCH pour l'instant et ils ont prévu de quitter vendredi. Nous fermerons le tout vendredi.

SVP vous coordonner avec les agents si nécessaire. Ian a un contact si nous avons besoin de Jerseys et peut-être voir avec Chris H et Chris L. si nous pouvons donner un coup de main pour fermer le stationnement de la marina demain.

Merci,

Chris just confirmed that the lease has not yet been signed with the Marina therefore it is still under NCC management.

Let's do what we can (**with Gat Police assistance**) to close off access first thing in the am when there are less cars.

Pat, can someone from your team coach Chris on how best to coordinate based on this weekend's experience?

Does Brad Paradis still have jersey barriers?

I've asked Chris to follow up with Christian.

Mise à jour PJC. Comme convenu hier, le propriétaire de l'autobus a quitté le sentier récréatif. Il se trouve maintenant dans le stationnement de la marina avec les autres manifestants.

Stéphane W. je recommande l'installation de barrières/clôture temporaire si nous voulons éviter que d'autre véhicules accèdent au sentier pour si installer.

Est-ce que la ville interviendra au niveau de la gestion du stationnement de la Marina où c'est CCN qui s'occupera de le gérer?

Bonjour à tous,

Effectivement, il y a quelques véhicules appartenants à des manifestants. Peut-être une douzaine. Ils se trouvent dans le stationnement payant de la marina. Des sacs de vidanges pleins sont laissés ici et là. L'autobus est encore sur place, il est stationné sur le sentier récréatif. Je vais aller discuter avec les occupants et je vous reviens avec plus d'info.

Hi Pietro,

I'm following up on this. Rosanna tells me a CO was sent to verify this information earlier this afternoon. Could you tell us more about the situation on site?
We just received another complaint from the public about this.

Merci!

Hello,

I received a call today from a resident of Hull. She says that over the past two weekends, there have been a number of vehicles in the paid parking lot at Jacques-Cartier Park. She said there had been trucks parked there, with lawn chairs, bbq activities, alcohol use etc. She said that the number of vehicles has thinned out, but there were still some vehicles today. She said she also saw people walking from the Park over the Alexandra Bridge with jerry cans which she assumes had fuel.

As well, she said that today, someone seems to be camping in the park with a converted school bus. The bus has pulled up onto the cobblestone landing near steps leading into the park (close to the main entrance near the Maurice Richard statue). Apparently there is a pile of chopped wood as well. She was not able to confirm whether this vehicle is part of the demonstration.

She did not want to leave her contact information as she is concerned about her safety.

Please advise.

Thanks,

Rosanna
